"It's important for Magellan Aerospace to give back to the community. It's what makes Manitoba a better place. Everyone deserves to have one less stress in their life when caring for a sick child, so it was an easy decision to support RMHC Manitoba. Donating our time and supporting programs like Adopt-A-Room, Home For Dinner, and Home Sweet Home has been an honour that has warmed our hearts. We feel privileged to be a part of something so special."

Meet the Langevin Family

Pictured: Kennedy, Doyle, and Jodi Langevin

"She's had to relearn every aspect of life, including breathing, eating, and standing with assistance. She spent the first couple of months in adult ICU and then she went to HSC Children's Hospital for intense physiotherapy. When she was strong enough, she went to St. Amant for additional physio. She still has a lot of work to do and has big goals. She wants to drive her race team again and she wants to ride her horse again. She has big dreams, and we are going to do what we can to support her.

The words, "thank you", are not enough. Without your help, there's a lot of families that would really struggle, ours included. Your support gives families hope, and sometimes, that's all you have in a day—is hope.
