McDonald
House®**
Manitoba

©2025 Ronald McDonald House Manitoba

Employee Giving Program

By donating bi-monthly through payroll deduction, you will help provide essential services and support to families in their greatest time of need.

Employees have the flexibility to give any amount of their choosing, and companies can further their impact through a corporate match.

It's a convenient way to show your support, and at the end of each year, Ronald McDonald House Manitoba will issue a tax receipt for the total amount deducted. (Minimum \$20 annual donation required.)

Ronald McDonald House Manitoba Mission Impact (2024)

1,632

Number of families supported by overnight accommodations

10,899

Nights of accommodation supported by Ronald McDonald House and Family Room

287

Communities served across Manitoba, Northwestern Ontario, and beyond

\$315

Estimated out-of-pocket savings per night, per family

\$3.5M*

Total out-of-pocket savings for Ronald McDonald House Manitoba families

*Based on an RBC Economic Impact Study

“

Truly, everyone at RMHC Manitoba has been so welcoming and amazing with our family. It's such a wonderful service that we are forever grateful to have received during this difficult period of our lives. — *The Zolinski Family*

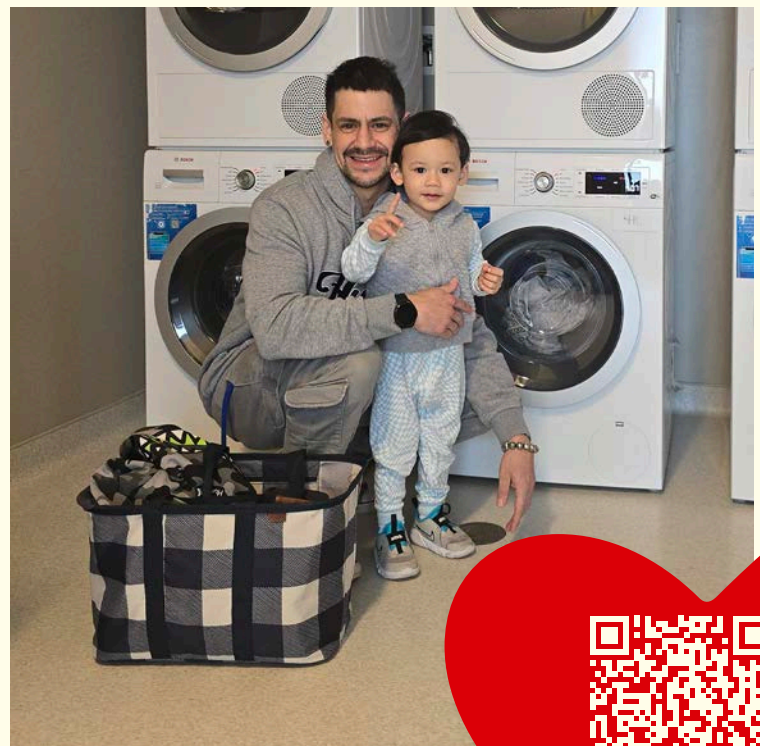

”

Program Benefits:

- You will be positively impacting families in their greatest time of need
- Employee giving can help staff feel more connected to a common purpose and encourage a sense of pride in their company
- Employee giving can help increase consumer loyalty
- Opportunities for volunteerism and team-building activities through Ronald McDonald House Manitoba events
- Receive partner impact reports showing how your company is making a difference
